### Springtime at Camp

The start of Spring marks an exciting time at Camp Newaygo. As ice and mud give way to budding trees and chirping birds, there is so much starting and underway!

The Arts and Crafts Shop renovation is looking phenomenal, registrations for summer camp are pouring in, and the trails will come alive with guests and fairy houses during the Enchanted Forest Weekend at the end of the month. Of course, plenty of volunteers from the local community and supporters of camp will be joining us to open buildings, rake leaves, and get the outdoors ready for the months ahead.

We hope that we get to see all of you this summer in some way whether as a volunteer, guest, or camper!
