

*It has been an ambitious plan, but together we have completed the three projects in the Building a Healthy Future Campaign. Help us now reach our fundraising goal to secure Camp Newaygo's future as these projects address our long-term needs for a sustainable future.*

**HEALTH & LEADERSHIP LODGE**

**DAY CAMP SITE**

**PEGGIE STONE CENTER**

*The Building a Healthy Future Campaign is raising the funds that enabled us to build our LEED Silver-certified Health & Leadership Lodge, expand and renovate Peggie Stone Center (the Arts and Crafts Lodge), as well as purchase four acres of new property with 300 feet of water frontage for a new day camp site.*

**CREATE A LASTING TRIBUTE**

TOGETHER, we have revitalized Camp Newaygo so we can provide rich growth experiences, independence, and shared respect for the environment for our next generation. We built the Health & Leadership Lodge; renovated and expanded Peggie Stone Center, the arts and crafts lodge; and saved Camp Newaygo from closing and commercial development.

We have preserved 104 pristine acres of woods, ridges, valleys, lakefront, wetlands, and islands for our children and grandchildren to play, swim, hike, camp, and enjoy nature.
